About This Game

Welcome to Rockabowling VR, a virtual bowling alley inspired by classic american rockabilly.

- Immerse yourself in the mid 20th century atmosphere as you chuck balls down the lane.
- Enjoy a couple of sets of 10-pin bowling for yourself.
- Or with a friend in our hot-seat multiplayer, perfect for small gatherings.
- Twist and curve your throws by tilting your controller. Good to have for those tricky splits.
- The spectator camera shows your awesome skills on the monitor to your friends.
- Try to beat a series of alternative pin layouts in the challenge mode,
- Get feedback directly through the PA system by the site owner.
- Leave your mark on the scoreboard with the top-10 local scores.
- Let the achievements speak volumes about your performance.
